“ Aloha,

You guys have my heartfelt condolences.

I've always said that the only downside of living in Hawaii is the fact that I cannot be with family and friends during times like this. Calvin, you know what I just went through the past year. Remain prayerful and let memories of all the good times be your strength...that's what helped me through my mom and Greta's passing..."Me ke aloha pumahana" (with warmest regards) Fish##imported-begin##Walter Buchanan##imported-end##
