“ Lauren & Judson,

*May God continue to bless you and keep you in His loving care.
Always remember that Dorothy loved you more than life itself.*

Based upon my recent and 20-year long conversations with Dorothy, 'I know' life's most recent trials and tribulations that people she thought were her family and friends heaped upon her gave cause to her soul crying out for relief. In-fact, Dorothy recently said to me, "Wanda Jean, they done rode the wheels off of the lil' red wagon."

With that in mind, for those who claimed to know her, they should know that since her spirit was dead, her body has now followed.

Keep on holding on to the Lord's hand as Dorothy did, and do what you know to be right according to her, and God will bring you through on the side of right. Finally, I ask that you continuousl remember that God's word states, "...no weapon formed against you shall prosper..." and on that promise you should stand.

Love always,

Mam###imported-begin##Wanda J. N. Stephen##imported-end##
