“ Dear Grandma,
You had your loves and had your dreams,
You watched us come and go.

You watched us make the same mistakes,
That you had seen made many times before,
But that just made you hold us tight,
And love us all the more.

We haven't always thought about
the things that you have seen.
To us you've just been Grandma
No thought of who you've been.
We won't be burdened with times of sorrow,
We wish you the sunshine of tomorrow.
Your life's been full, you savored much,
Good friends, good times, and a loved one' touch.

But we remember now in love,
Your life from start to end,
And we're just glad we knew you,
As our Grandma and our friend.

We Love You,##imported-begin##AZ Grand & Great

“ My deepest sympathies go out to our family. I loved Aunt Dorothy very much and will miss the way she used to try to feed me when I visited and the comedy she and Grandpa used to provide. She was the kindest Aunt. Love you all!
