“ *We're With You*

*When you miss her,  
we're with you in spirit,  
wondering how you feel,  
hoping you're coping,  
and getting a little better each day.  
We understand. We care.  
When you're grieving,  
we're beside you,  
in our hearts, in our thoughts,  
we're sending you sympathy,  
encouragement, affection,  
and strength to carry on with life.  
She would want it that way.*
