“ *I was visiting this site to offer comfort to my church members in the loss of their daughter and saw Eddie Mae's name. I am sooo shocked to see that she has passed away. In high school, she and I were the best of friends until she had to go to Taylor Schools and leave Inkster High. If any of her family read this note, please know that she was the best and I have extremely FOND memories of the laughs and good times we shared. Love to you all.*

I know this post was several years ago, but I never had the desire to visit this site. Thank you so much for your kind words.
