“ *I was lost this whole week trying to keep a straight mind but everything became blurred so this is what i have to say..... Gram's you meant so much to me not even sure if you knew it. we never really got a chance to see each other or even talk much but the small things you did say and do for me help me to be a better person. It really hurt when dad died but you told me to celebrate his life and hold him close to me and i know thats what you want me to do for you now. I will ALWAYS MISS YOU AND LOVE U this is not goodbye but see you later. tell Dad Hello for me.##imported-begin##Alfonzo##imported-end##*

“ *Our last conversation, we talked and laughed about the past. The
huge balloon you bought me at Six Flags and how it floated off in
the sky when we returned home. "How you cried sooo hard" you
said. Now, you've drifted away into the heavenly sky. Tears I again
cry...*

*I promised you to take good care of your baby brother like you said
