“ *It has only been a short time since you have been up running your "MANSION". The same way you did down here. I am sure everybody, including, Floyd, David, and Daddy were waiting for you to come and open the doors so that they could really have a good time. Your strength and love is all around and spoken every day. Your spirit is in each and everyone of your children.##imported-begin##Janise Cabell##imported-end##*

“ *The writer of Psalm 90 suggest that anything beyond 70 is an exception to the rule. Even the longest life eventually becomes like a quickly passing yesterday before the everlasting God (Psalm 90:4). The psalmist wanted his readers to see how short our time on earth is in contrast to eternity.*

Oh, why not turn while still you may; Too late it soon will be- A glorious life you can posses, Throughout eternity-Anon

What we weave in time we will wear in eternity! I apologize for being late with my entry but it was somethings that I think everybody should read and take a look at where they are right at this moment.##imported-begin##Angela Mitchell##imported-end##

“ *All of the love, understanding, compassion and forgiveness I have, I learned from my Granny! Words cannot begin to express how I feel now that I don't have her physically here with me any longer. But, because of the things that she has taught me, I now have a gift to share with the rest of my family ... with the world!*

THANK YOU GRANNY for giving our family the gift of giving ... It is now our obligation to share it with the rest of the world!

I LOVE YOU GRANNY!##imported-begin##Dionne L. Sarden##imported-end##

“ How can one person whole so many together? With love of course. If that love that you gave us was laking in anyone of us, we have somehow pulled together and filled each others hearts with your kind of love. Thank you Moma for loving me.

“ Granny I am going to miss you dearly. You are my lover girl. I remember getting up when my mom dropped me off to your house and watching prices right. And I hate that the family only get together on these types of occasions. I really miss backyard parties and laou outs in the backyard. I miss holidays at the house. And I just wanted to let you know that I love you and will always hold your memories dear. R.I.P.###imported-begin##Candice Sanford###imported-end##

“ Grannie, was the backbone of our family. Her house is the place where we all would come together for holidays and celebrations. I miss those times. We all should start to come together as a family at least once a year to enjoy one another in life while we are still here. Let us not wait again until someone dies. We all will miss Grannie, very much, but she will always be with us in spirit. I never say it, but I love all my family near and far.##imported-begin##Janveaire Hornbuckle##imported-end##
