“ *I love you moma, I know you are in a better place. I know this is what you lived your whole life for. No more pain, struggles, worries, or hopes. God was pleased with your efforts and your faith and trust in Him, now you have your reward to be with him forever you made it, so he released you from the world of pain. Please be my guardian Angel and give me some of your strength and faith. Your legendacy lives on. See you some day in the better world enjoy your new home. Let that right arm spread freely.
