“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21:3, 4. “ We move through life touching and being touched. It is not how long we live but how we live. Ms Emma's life is one that touched a community one individual at a time. Her life impacted hundreds of people. You might ask how is that possible. How many time have you repeated something Ms Emma told you to someone else.

We all passed her wisdom on to those around us. She will be truly missed but her words live on in the lives of us she touched.

My prayers are with you all.

Love
