“ I'm truly thankful for having the opportunity to care for you Mrs. Brown. I could tell you were very loving and caring, it showed each and every time I visited. It was very amazing to watch you from your bed show love and express your love to your daughter Earlena. I really enjoyed the days when your daughter would turn on some of your favorite tunes holding your hand gently saying "I LOVE YOU MOMA" and you would say "I LOVE YOU TO" as you two kissed one another. That was truly a great Kodak moment I'll always keep in my mind, looking at the love that mother and daughter shared. Love Drusilla. ##imported-begin## Drusilla Jennings ##imported-end##

“ Mama, I quit my job to stay home and spend these last 9 months with you. It was the best decision that I ever made. Being with you everyday all day, gave me such an opportunity to shower you with kisses, comb your hair, bathe you, change your gowns, and everything that you have done for me. You were always so busy raising the 9 children that you had, I never saw you as a regular person. You were like a super woman to me. I was in awe of you, until I looked at you as you were sleeping in your hospital bed in our living room. For the first time I realized that you were a "girl" just like me! Mama, this time spent with you was such a privilege. I am going to miss having tea and sitting in the living room with you. I am really going to miss holding your hand as I would dance to Ella Fitzgerald's greatest hits. I am going to miss rubbing my face on your face and showering you with kisses. It was my prayer that you would not struggle at the end of your life and I was blessed to be there holding your hand as you took your last breath. Thank you mom for everything. I rather like the lady that you taught me to be. I miss you mom and will always feel your love in my heart... ##imported-begin## Earlena (Corrections) ##imported-end##

“ Dear Ed, Titi & Family,
"God is our refuge and strength, a very present help in trouble."
Psalm 46:1

Our heartfelt prayers go out to your family at this time. We know that the sweet memories of your mother, mother-in-law, and grandmother, will be the comfort of ages to come and that God is able to deliver the pain in a peaceful place of love.

Your angel has taken flight now and as you look to the hills from whence cometh your help; know that Jesus is the author and finisher of your faith.

To God be the glory for the blessing of the Matriarch in your lives and the comfort of praise in song to know "Victory" is her name now! Thus, to her end is your beginning of a new day to continue your deliverance and "Be ready when Jesus come."

"Be still, and know that I am God." Psalm 46:10

Peace, Love, & Blessings,

“ Kerwin, Earlene and Family

I am so sorry at the passing of your Mom. I remember the times when I would see her when we were younger and when she let us have a birthday party for Daria at your home. I always thought she was such a beautiful and gracious lady. My heart goes out to you and your family. We loss our Mom a few years ago and as many say, there is nothing like the love of a Mom. Even today, I can still feel her love for us and know that we are not alone. The same will be true for you. May the many, many beautiful memories you have of her bring you comfort at this time and may God continue to bless you. I just want you to know that you are in my thoughts and prayers at this most difficult time.
