“ Mother Smith, you will be missed, I will always remember your smile as I went around to give my tithes and offering, you would always be near the end of the row and I would always hug or pat your hand and you were always so welcoming and you always complimented the Disciples of Praise on any Praise Dance that we did. “ Dear Momma,

I just wanted it to be known what a truly exceptional woman you are. I thank you for always loving me, always encouraging me and always making time for me. I thank you for all you did for Linda and I over the years, helping to raise our children and giving us advice on what it really meant to be parents. You were just as much a mother to me as my own birth mother and I love you everything you have done for me and my family. I have so much more I could say but anyone reading this would already know that about you. You helped so many people in your lifetime and now you are receiving a well deserved rest for your labor.

Forever indebted,

Your son in law
