“ *Sha'vaughn & George ,I loved talking with your mother and will miss our conversations. She was a lovely lady and I will think of her daily. My thoughts and prayers are with you during this difficult time just remember all the things she taught you and stand tall she is watching from above.##imported-begin##emeko##imported-end##*

“ *I thought about your mother, and I tried to equate her faith to someone from the bible. I thought of Enoch. Because, Enoch loved the Lord and had such faith, that he just walked with God, until he was no more. I can't think of a better comparison for your mother. Sha'Vaughn and George, know that your mother was loved by many, and will be greatly missed. You are in my prayers. Stay strong and know that your mother is in a better place.##imported-begin##Linda Davis##imported-end##*

*If your sorrow can be lessened,
In some warm and special way,
By knowing that so many share,
In your loss with you today.*

*And if it brings you comfort,
When others show they care,
Please know that thoughts are with you,
And remember they are there.*

“ *I am extremely sorry about your loss. I want you to know that you are in my prayers and if there is anything that I can do or help out with do not hesitate to ask. I just want you and your family to know that you are not alone and that I care about you. In your time of need, you can truly believe that you have a friend that you can confide in.
