“ Mrs Eva Franklin, what does that name mean to me? a lot. words can't express how much she mean to me and my family. We all have our ways of expressing our love and she surely knew how to even when she was not giving like she was known to do. I looked up to her. In the short years that we did spend time together I admired her in so many ways it takes to long to say. I just hope I said enough I love you's to her to let her know YES, I respected and Had and still do have a deep appreciation for being a part of her family, Her history. I hope Jehovah will read your heart along with mines and we see each other again. LOVE YOU AUNTIE##imported-begin##Toi Latrice Cunningham-Leonard##imported-end##

“ Ms. Eva was a very loving and beautiful person. We always enjoyed her company and being apart of our family. She will truly be missed, but she will always be in our hearts. We look forward to welcoming her back soon, in the new world where sickness and death will be no more. She will grow back to being a beautiful young woman as she had always been.

Our deepest sympathy goes out to the Franklin and Williams Family.

We love you all!
