“ *I worked with Evelyn at Great Lakes Rehab in Southfield about five years ago. The last time we talked she was at Providence Hospital, when I saw her name at Pye (I was there veiwing a friend's Father), I could not believe this was her. Please accept my condolence. She was great to work with!!!!##imported-begin##Debra Thompson##imported-end##*

“ *I want to take this time to thank all who have extended themselves in this time of great sorrow. Your words of encouragement, time spent with us, and any and all support you have given is greatly appreciated. I was overwhelmed with the stories many of you shared about my sister. It is enlightening to hear what a loved one is to others outside of the family. Loving her 4ever##imported-begin##carolyn russell##imported-end##*
