“ Words cannot express how I am feeling! I will miss my Aunt Hun (nickname) so much. She was my favorite Aunt. She was there to help deliver me as a baby, and saved my life when I wiggled out of the mid-wife's lap after being born and she caught me before I hit the floor. She was very special to me! Whenever I found out she was coming to town for a visit I would be so excited, and when she decided to surprise us and sneak into town, I would be so excited when I got out of school and saw her car parked in our drive-way. I will miss her very, very much and there are just no words to express how much! Rest in Peace Auntie, I know you are in a much better place now, with no pain, no sorrow, nothing but Joy, Joy, Joy! Tell my Dad, Grandpa and Grandma hello for me!

Love you Always and forever!###imported-begin##Mary

“ To Pealie, Louise and the entire family of The Great Ms.Everliner Shelton. I have been very blessed to have had the many times with Mom Shelton. We have cracked up laughing a many days. She truly took me for one of her daughters. I can tell you that the many times she came to Saginaw, she always let me know she was in town, And wanted to know if her bed was ready which it was, always, just like when I arrived at her home.Boy and the cooking at her home,she was very famous for going to that deep freezer, and telling us "I forgot about this, cause we want it to be enough for everybody." We really wanted her to put it back, cause it was already enough food cooked up, but we cooked it, cause she wanted us to and it made her happy. I can go on and on with all my wonderful memories and how much I loved this most wonderful, caring, and Oh yeah SHE Didn't bite her tongue about nothing, caring loving and wise women.I LOVED HER VERY MUCH AND I TRULY KNOW THAT SHE LOVED ME. Love you Mom Shelton, I already miss you.

“ Words cannot express how much I'm going to miss my grandma. She kept the family together. I'll miss all the many years the family would get together at her house, get in the kitchen, cook up a big pot of greens, aunt Louise might fry some fish and make that delicious dressing I love so much, momma would fry the chicken and make macaroni and cheese, aunt Mary might make or bring some desert, you could hear the music through out the whole house. Gramma, Aunt Beth, Ms Vie, singing the blues and dancing. Those were some happy times. I will always treasure. I miss you Grandma, nothing can fill the void left in my heart except those memories. I LOVE YOU TOO FAMILY. Let's get closer, let's not loose each other, we're still here. Gramma's heart would be so glad to know that we drew closer not further apart. I Love You All.

“ I'm sending my sincere condolences to each of you in the Shelton family. We have all experienced the loss of a loved one to the enemy death, and the emotional pain is all the same. We grieve in many different ways. Our Heavenly Father Jehovah feels the pain that you are going through, and holds out a promise that one day soon, he will wipe all tears of sorrow from our eyes forever and death will be no more (Revelation 21:3-5) Additionally, He promises that all those in the memorial tombs (graves) will hear Jesus voice and come out. Hold on to the precious promises in the bible. Jesus did not just die for us; he suffered; so we could have the "real life" in paradise on earth. Luke 23:43, 1 Thessalonians 4:13-14, Proverbs 3:5-7; Isaiah 26:19 & John 5:28-29###imported-begin###Liz Malone###imported-end###
