“ *TO COMFORT YOU
In the loss of your Mother*

*It's hard to lose someone you love, but even harder still...
When that person is your mother, whose place no one can fill...
But though it may not seem quite fair this happened now,
And though you may not understand just why it did or how,
Think of your time together and the joy it brought to you,
And perhaps those thoughts will ease your pain and help to see you through.
With Deepest Sympathy,
Kristin
