“ *I thank God that I was able to spend much needed time with you,not
knowing that the following week you would no longer be here with
us.We had a good time just talking,cracking jokes,talking about the
girls,but mostly you telling me things about my mom that only a
sister would know. I now understand what God's purpose of your
death is all about,a door that was opened to bring this family
together.I will truly miss you,but your memories will forever be in my
heart,and I look forward to celebrating with you and the rest of the
family when I cross over,until we meet again. I love you,your niece
