“ *Deepest sympathy over the loss of your dear loved one. While few
words can bring peace during this difficult time, perhaps the words
expressed at Revelation 21:3,4 will provide you with both comfort
and hope.##imported-begin##LaVerne##imported-end##*

“ *When Destiny Calls by Jaymee' Green*

It comes a time in life that we must all let go and move forward as we all remorse through this hard time we must understand that it's time, when I think about the times we spent I am filled with joy because you always was there it's the little things in life we don't appreciate till it's gone. When destiny calls we must understand it's not for remorse it's for us to realize why we even met. When I think about you I can imagine God smiling saying everything is okay and just believe that you rose into an angel who is now leading us and guiding us to our fate. There comes a time to realize that we must come together and say I'm glad you were here with me. She's spreading out her wings and she's finally free. She's in heaven with Adam & Eve & God & the angels singing melodies. There comes a time to notice that she's our Guardian angel leading, guiding, & watching over us. Now we have to deterring our fate. I believe in God & know when destiny calls it's time to say Thank you Lord that we had this time to know you.##imported-begin##Jaymee' G.##imported-end##

“ A precious one from us has gone,
A voice we loved is stilled,
A place is vacant in our home-
Which never can be filled.
And after a lonely heartache
And many a silent tear,
But always a beautiful memory-
Of one we love so dear.

Rest in peace Grandma Fary##imported-begin##Fairy Green##imported-end##
