“ Fran and I became friends over 20 years ago when I was working for General Dynamics and my mother had just passed away. Fran and I were working afternoons and I confided in her about my grief and she was compassionate, sympathetic and always had advice and just plain old common sense that I have cherished all these years. She was a good person and I was proud to have been able to help her celebrate her 80th birthday, what a milestone. She was loved and will be missed but not forgotten.##imported-begin##Cheryl Gerdes##imported-end##
