“ Mrs. Fredia Carol Roberson

“ Fredia will truly be missed. Fredia mentored so many of us. Some she may not even realized she was mentoring. Fredia lived her life with so much love and true acceptance of all people. Always a smile and kind word to say. Fredia encouraged me in her actions and her strength. She passed that strength to her children. Fredia leaves her lineage in her children-strong, beautiful, caring and living for the Lord. Thank you Lord for the gift of knowing Fredia Roberson and her family. I love you.##imported-begin##Phyllis##imported-end##

“ Dear Family: I didn't know Mrs. Roberson personally, but I was so moved by the picture I saw of her while visiting on line. She was a lovely lady with a beautiful smile, and from reading what others have said, I can plainly see that she was dearly loved. Death is something very difficult for us all to comes to terms with. That is because death is an enemy to us because it separates us from those we love so much. (1 Corinthians 15:26). However, our Loving Creator has promised us that (very soon) sickness and death will be done away with (Isaiah 25:8, Revelation 21:4).Jehovah God also promises a resurrection for our loved ones who have died (John 5:28,29; Acts 24:15). In the meantime hold dear the memories of Mrs. Roberson. Cherish all the things she taught you and inspired you to do. May you find comfort in the God of all comfort who has promised that you will see her again (Titus 1:2; Psalm 37:10,29). My deepest sympathy to you.##imported-begin##joyce jones##imported-end##

“ Fredia was a thoughtful, lovely, brave young woman who was a wonderful mother and role model for her daughters and other young people in the family. When I was ill last year and she was going through hers, she thought of me. I really appreciated her thoughtfulness. It was apparent she really loved the Lord, but He loved her more and gently called her home to be with Him. In this we can rejoice. You are in our prayers; we will miss her.

With love,

“ I (Mable) grew up in the same (Shipp's Bend) community in Centerville, Tn. Fredia was the cutest baby. Her mother would let us come over and sit in the rocking chair and rock her. They moved away before she grew up, but she did grow up to be wonderful wife, mother, grandmother, and friend. Our prayers and love go out to the family and friends. Gone to soon. To the family, live each day to the fullest and do your best to love others.###imported-begin##Kenneth and Mable (Dansby) Scates###imported-end##

“ Dear Fredia, It is with a sad heart that I write this, because I still can't believe this day has happened. And yet, I feel so lucky to have known you, spent time with you, received your guidance and been your friend. You have taught us all more than we ever could have imagined and your words and spirit will always be with us. You were the epitomy of class, eloquence and grace. “ To My Dear Family: words cannot express the sadness I felt when I was told of going home of Freda. We know how special Freda was and there are no words that can express the feeling we have at this loss. I will honor her with my tears, her absence will be obvious and our family will not be the same, but I will Remember her with love. Time will make the pain easier to bear and God will take care of the rest.##imported-begin##Carol Grimes Demonbreun##imported-end##

“ I just logged onto Facebook and when I read the postings I thought there had to be some mistake...that this had to be about another Fredia. But I soon realized there could only be one Fredia...the one we all knew as caring, smart, classy, gracious, kind, hard working, and loving mom and wife. You will always be remembered with such fondness and I have wonderful memories working with you and now you have a new and important job - as Guardian Angel to those you love.##imported-begin##KATHI STRACE##imported-end##

“*fredia, i'll definitely miss you. the smile, the elegance, the gracious spirit, the warm heart, the undying passion. you were my friend, mentor, and my work "mom", as i often teased you by calling you "momma Fredia."*

i was lucky enough to work with you, side by side, for 9 and a half years at campbell-ewald advertising. side by side in client meetings, i was blessed to play the Robin to your Batman for so many years. your countless words of advice and encouragement helped mold me into who i am today. and your desire to share your lessons with any and all who would listen made you the ultimate mentor. thank you. not only am i better for having known you, so is the advertising industry, as well as a new generation of people in the business who continue to look up to you as their hero.

knowing you was also knowing how much you loved your family, especially your girls. i can only imagine how much they missed you now. but knowing how much you touched me in 9 and a half short years, i can only imagine how much you blessed them their entire lives.

you were the living example of class, integrity and professionalism. if i can be like fredia roberson in this life, i will have done more than i ever imagined. thank you "momma Fredia", wishing you a peaceful journey.
