“ God looked around His garden and found an empty place.
He then looked down upon the earth and saw your tired face.
He put His arms around you and lifted you to rest.
Gods garden must be beautiful, He only takes the best.
It broke our hearts to lose you, but you didn't go alone.
Part of us went with you the day God took you home.
If tears could build a stairway and heartaches make a lane,
We'd walk a path to heaven to be with you again.
