“ *Pat from my family to yours, we want to express our heartfelt sorrow and give you our love. Having lost love ones in the past we feel your lost, your hurt, and your pain. From our experience we know that in time you will learn to cope with these emotions and we know for a fact, your memories and love for your Mother will always be with you. May God bless and keep you and your family in His loving hands.##imported-begin##Josephine Hunter##imported-end##*
