“ *Today I will say a final goodbye to a special woman who has become very dear to me over a few years and who will always live in my heart. Geneva stood out to me with her caring ways as a daughter, mother, grandmother, great grandmother, aunt, wife, friend, and citizen! She had a friendly personality and a giving nature. Both Geneva and Terrie welcomed my son, Lawrence into their lives with open arms and I will always be grateful. To her family, close and distant, my heart goes out to you, especially the four generations of ladies still here, her mother, daughter, granddaughter, and great granddaughter. Rest in peace my dear.##imported-begin##Lene and Jordan Maxwell##imported-end##*

“ *Hi Terri - I was so sorry to hear about the passing of your mother. I will always remember the times when we were "little" girls and I would spend time at your house on Bassett and we would eat up all those great bread and butter pickles she use to make. Memories are some of the best things that we can share! My prayers go out to you and your family. Take care!*

“ Terrie, Shayla,

My heart is heavy as I send this message to you. I truly understand the feelings associated with the loss of a Mother and a Grandmother, so my thoughts and prayers are very much with you at this time.

I do know, however, that time is a great healer; and while your pain is tremendous right now, as time passes, you will be able to smile as you remember the wonderful times and love you experienced with your dear Mom/Grandmom.

Love,
