“ *Mrs. Geraldine Carter*

“ *I am truly sorry for your loss. May the comfort of God help you during this difficult time. The Bible tells us that there is hope for our dead loved ones. It makes this promise: "The righteous themselves will possess the earth, and they will reside forever upon it." (Psalms 37:29.). To have the hope of seeing our loved ones again healthy and happy is cause for joy indeed! I hope in the difficult days ahead you continue to find solace from the scriptures. Revelation 21:3,4.##imported-begin##V Williams##imported-end##*

“ I was so sorry to read of the lost of your dear loved one. It seems so unfair that death should have the power to take away someone we love. And when it happens, the thought of never again being able to talk, to laugh with, or hold your loved one can be most difficult to bear. Many are resting now, until their name is called in the “resurrection”. Oh yes, Jesus Christ boldly promised: “The hour is coming in which all those in the memorial tombs will hear his [Jesus’] voice and come out.” (John 5:21, 28, 29) Since Jesus made the promise, it is safe to assume that he is willing and able to do so. His father, Almighty God has promised us at Revelation 21:4, “he will wipe out every tear from their eyes and Death will be no more.....” May you find comfort and faith in these scriptures for he “cannot lie.”

“ Dear Family: The Bible teaches us at John 5:28, 29 that: "...the hour is COMING in the which all that are in the graves shall hear his voice, And shall come forth..." Our Loving God has comforted us with the joy of being able to see our loved ones again. He also promises to destroy death (Revelation 21:4) so that mankind will be able to live out his days the way God originally intended..."even life forever more". (Psalm 133:3, Psalm 37:29) May your hearts find comfort today and in the days ahead and reassurance from the true God (Psalm 83:18) that all things will take place exactly as promised by him. (Titus 1:2) My deepest sympathy to you.##imported-begin##joyce jones##imported-end##
