“ *I will always remember Gina in my heart. Gina at first was my coach and my manager. Ultimately, Gina became by kindred Sister and dear friend. Gina taught me much. Knowing Gina made me a better person. Gina was a special person who made a profound difference in my life. It was Gina's spirit, her wisdom, her passion for what is right and enormous loving heart that made a profound impact in my life and those she touched.*

*I will always remember Gina's warm, beautiful and welcoming smile. Her heart matched her smile. Gina was a friend to all, cared passionately for everyone and especially her family.*

*Gina carried and spread God's message and acted as one of his special Angels. I know Gina has a special place in God's eternal home. I look forward to seeing my dear friend Gina one day again. Until then, I will hold Gina dear in my heart and speak to her in in my prayers. I know she will be looking out for those she called friend and family.*

*My thoughts and prayers are with you. Love Patty##imported-begin##Patricia Thorner##imported-end##*
