“ *Debbye*

*To my big sister Glonda, it's been since December 5, 2009 that we lost you. I still miss you so much and I think about you all of the time. I just can't believe that you left us here in tears and with a broken heart. One day we will see you in Heaven and we will talk and shout and sing. Mom and Dad and Mutdear are already dancing and singing with you. Gone but not forgotten. Well I will say I Love you and Rest in Paradise*

“ To my "Big Sister", Glonda Vernella "FAISON" Hodges-Dalton,

*It's been two weeks now, yet it seems as though you are physically here with us flashing that big beautiful smile and filling us your loving spirit. I trust that you know that we are sharing wonderful memories of you with the family. Know that these memories are all happy ones. You filled our lives such joy, comfort and happiness. Just knowing that you can look from the clouds and watch over us from above gives me a sense of peace. “ I am sorry to hear of the loss of Glonda. The bible promises everlasting life. Jehovah always tells the truth, he does not lie. Glonda can rest now from her pain and struggles. We must continue to struggle to survive this wicked world, with the crime, violence, war, sickness and death. God did not intend for us to live this way, nor did he intend for us to die. The bible gives us much hope and comfort ". 2 Corinthian 1:3-4. Jehovah is the, "God of all comfort" and HE helps us understand how He and Jesus Christ feel about death. Death is an enemy that pursues us all. None of us can out run it. Jehovah is far more powerful than death. Jehovah is our rescuer who has already shown (by Jesus resurrection) that he can defeat this enemy. 1 Corinthians 15:26 (As the last enemy, death is to be brought to nothing). Isaiah 26:19 "your dead ones will live ...they will rise up". We WILL be reunited with our loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future. John 5:28-29, Jesus said "all those in the memorial tombs will come out" and there will be "a resurrection of righteous and unrighteous".##imported-begin##Liz##imported-end##

“ I will miss my Auntie Glonda more than any words can express. I always looked forward to my birthdays because she would always call and sing "Happy Birthday. :) I will remember her smile, laugh and willingness to help others. I was very lucky to know her for my 32 years and will never forget her love and caring spirit. I guess God needed another angel and chose my beautiful and caring aunt. I know she is up in heaven watching over us and that helps in coping with the loss.##imported-begin##Kira Hodge##imported-end##

“ *My Dearest Glonda,  
There were so many first memories and experiences with you. We shared our love of singing in the church choir, happy Christmases with the family, special Sunday dinners with friends and family, and a love for rootbear floats (lol). You taught me not to be afraid and shielded me from bullies. When I was the shy one with the little voice you gave me confidence to speak up for myself and walk tall. You took care of me when I was sick and loved my children like your own. You were and are the epitome of what a "Big Sister" should be. I will miss you dearly, but know that I will love you always. You're our Angel and the 4 remaining will never forget you.

“ Glonda was a loving and wonderful Big Sister. We shared a special bond of being the oldest and youngest in the family.

She was very thoughtful and kind hearted. She never failed to call and sing Happy Birthday to all of us, send special gifts she made and never ended a call without saying "I Love You".

I will always cherish the time we spent together and the long talks on the phone. I will miss her beautiful smile, hugs and kisses.
