“ We came to know Mo. Moore well when she decided to fellowship with us at Christ First Church. She was a person with a lot of energy when it came to serving the Lord. She loaned herself to our ministry for about 5 years until she moved to her next assignment. She helped us work with the new souls that received the Holy Ghost. She labored with us in prayer, and enjoyed teaching the young saints from her experience and wisdom. She helped us plant flowers and so much more. I will always remember how much she loved music and singing and encouraged us to sing to the glory of God. We had numerous Holy Ghost praise services where we rejoiced and danced in the Spirit due to her encouragement for us to sing to God's Glory even without a musician to play for us. I will miss our frequent visits. I would take her on an errand or we would go on a mission or just sit and laugh and talk. Just before the summer ended, I went over and we had a fish fry - just the two of us. We laughed and talked. Oh, yes, she was concerned about two of her neighbors and called them to get a plate and made sure that I would take a plate to Pastor Wilson. To the family, we love you and you are in our prayers. What she would want most is for each of you to know Jesus as your personal savior and receive His Holy Spirit by the evidence of speaking in tongues as the Spirit give utterance. We are praying that God will comfort you and keep you!###imported-begin##Pastor and Mo. Robert Wilson###imported-end##

“ Mother Gloria Moore was truly a spiritual pioneer for the Churches Of Our Lord Jesus Christ. Her enthusiasm for praise and worship was contagious and positively affected all that came in contact with her. Her visits with the extended spiritual family of Refuge Vision Ministry (RVM) in Houston, Texas were enriched with her joyful spirit. RVM has been truly blessed with her spirit through her daughter (LaVinia), grandson(Troy), and granddaughter-in-law (Tresha). Our prayers are with the family and may the spiritual legacy of Mother Gloria Moore live on.##imported-begin##Dr. Elijah & First Lady Christine Solomon##imported-end##

“ Words can't express fully how sorrowful I feel for the lost of Mother Moore your mother. I just talked with her 3 weeks prior to seeing my brother and dad in nyc and as she was getting off the phone and we talked for about an hour she said I always enjoy talking to you. That made me feel so good. She told me how she was looking forward to going to Texas to live

Mother Moore has been both a joy and influential in my life. She has always been a play mother to me and mother to my children watching them grow up. I enjoyed the times when I was with her at Lumpkin and Mendota and she fixed a bunch of us young people a spaghetti dinner. I also cherish and remember the time when Mother Moore was a member of our church Refuge Apostolic Faith Church on Harper. It was here that my husband Elder Dalton recommended her to get her Mothers License. She was so elated! Mother Moore was friendly, funny, loving, giving good advice, real and a child of God! She is resting now in the arms of Jesus as my husband said this past Sunday when he was preaching about your mother. She is with Mother Williams talking and rejoicing. May you find much comfort to know your Mother Gloria Moore had a life well lived! My prayers and support are with you and the entire Moore family.

“ Gloria Moore lived up to the title of Mother of Zion aka Evangelist (smile).

Her steadfastness in the Lord made an impression on me as a young saint of God.

It was my honor to spend days with Mother Moore riding around town visting the sick , shopping or just visiting at her home or mine in Houston

I admired her Prayer life and diligence as a student of the Word of God.

Mother Moore made sure I knew good doctrine..... and always reminded me to prepare food for my spouse before running the streets .

My most fondest memory of her is watching her praise God in dance upon her feet touching the church grounds, and she would enter the church in a danceShe was one to demonstrate "I was glad when they said unto me Oh let us go into the house of the Lord and "I will enter his gates with Thanksgiving in my heart .I will enter his courts with praise.

To the family my prayers are with you as I celebrate with you the Home going of one of the most valant warriors I've known.

Thanks for sharing your mothers love with me .
