“ *Well grandma I know dad is now with you. You both have been very important to me and my life. Until we are together again. I love and miss you so very much. Not a day goes by that I don't think about and miss you both. All my love, your grand daughter Nicole Grace Evans*

“ *Grace you surely set the example of a Mother's love for her children. You loved Willy, John, Charles unconditionally and were there for them always. You taught me so much when I was a young mother and those things I have never forgotten. The Psalm you loved was "the Lord is my Sheppard"*

“ Dear Grandma  
I will truly miss you, and I will cherish all the time I had with you.

*Grandmas Wings*

*Grandma I wonder where you keep your wings. Are they hung in your closet with the rest of your things*

*Dos you put them away and just use them at night. I know you have wings, for this must be true cause God always gives them to Angels just like you.*

*Love your body guard chrissy##imported-begin##Christie Buck##imported-end##*
