“ *Wow mom here it is almost 2 years later and it still feels like you just passed yesterday. I miss you soo much and I just don't understand why you aren't here with me to watch the kids grow up with me and why I can't call u or laugh with you, i'm just lost. I thank God that you and grandma had the short time you did with the kids, they are so special. I love u ma and my heart will never be the same!##imported-begin##Courtney##imported-end##*

“ *I hired in at the post office the same time as Greta and worked with her the past 21 yrs. We all loved her. She was always smiling, always happy...she never judged anyone, she always had a word of encouragement and a laugh, she was truly an earth angel....it was a blessing to know her and we both had a daughter, we were the same age...I will see you on the other side, my friend, and the joy you gave to others is now magnified a hundredfold. A pleasure to everyone when we passed your way, you'll only know now how many lives you touched, and how your spirit was only meant for this earth for a very short time to remind us what kindness means. Rest in peace, dear angel, and thank you for the joy of knowing you. Love and peace until we meet again. Deb##imported-begin##Debra Campbell##imported-end##*
