“ I'm sorry to hear of the loss of Gwen. Even though I did not know her personally, her good works are felt by many and will not be forgotten in the heavens. Jehovah, the God of all comfort, will give you power beyond what is normal to be able to cope with this terrible loss. Isaiah 26:19 "your dead ones will live ...they will rise up". We WILL be reunited with our loved ones by means of a resurrection on a paradise earth in peace and happiness in the very near future. Hold on the the hope that Jesus died for us all - so we will be able to live again.##imported-begin##Liz##imported-end##

“ *To the Family of Gwen Davis,*

Please accept our sincere condolences on the passing of Gwen.

Her heart was huge with helping out those who were less fortunate in the Metro Detroit area.

During my work at the Metropolitan Detroit AFL-CIO, Gwen was there every month to help with the different programs including Paint-The-Town support efforts, as well as with year-end holiday baskets give-away.

Gwen would pick up a paint brush and helped make an elderly woman once again proud of her home during our annual paint the town efforts.

Gwen helped make cold canned goods and cases of potatoes into warm food boxes for those who didn't know where their next meal was coming from.

I saw her just Thursday during a meeting for today's basket give-away.

I just can't express how sorrowful we are at Gwen's passing. She was a tremendous asset to the community services committee. I can only say that we were all blessed to in her presence for the 11 years we worked together.

Please accept our apologies for not being able to attend Gwen's service this weekend because we are not in town. But please know that we will include her in our prayers, and share her good works and name with our gathered family this week as someone we should all be like.

We know this has to be a very difficult time for your family. We are thinking of you. And please know how much Gwen was loved by all

of us.
