“ *Helen was such a special person. I knew her through CPS. I worked there a few years ago. She was such a help to me and such a computer genius. I only worked there for a girl who had been in an automobile accident. When she came back I left but I still do work for CPS. I would come in on Saturdays to pick up my work and run into Helen. We would talk. She was one of a kind and I'll never forget her. I know she is with the Lord. I am going to miss her so as will everyone who knew her. I was unable to come to the home as I had a good friend who's sister died. My sincere condolences.##imported-begin##Emanuel Rothwell##imported-end##*

“ To Helen's Husband, her siblings, her nieces and nephews, her aunts, uncles and cousins, Helen was a wonderful person. Helen and I graduated from High School and she was so thoughtful and kind. My daughter is her God Daughter and I will miss her. For God is good and he takes care of us. Be blessed and put your faith and trust in God.##imported-begin##Annie Dean##imported-end##
