“ To the Patton family. I am so sorry that I will not be able to make it down for the funeral. Aunt Helen was a very special person. She was full of love, thoughtfulness & understanding. Draw strength from the memories and not sadness for she has taken that next step towards a reunion with our Lord and savior Jesus Christ.

To cousin Vic, your earlier comments about having a wonderful balance in life provided through direction and support from multiple guardians and “Parents” also applies to my life experiences as they relate to my loving aunt Helen. My parents provided everything for me that I needed however your mother gave me everything that I “Needed” and wanted. For that I will always be grateful.

To Cousin Jeff, stay strong and remember the lessons and words of your lovely mother. You were always there for her and for that I’m sure that she was truly appreciative. You will be blessed for your efforts.

To Cousin Cheryl, your mother is in a much better place now and her pain and suffering is over forever! Celebrate and trust in the Lord for he is the Savior!

I too will miss her dearly. Your 1st cousin Darryl R.
