“ I thought of your mom today, but that’s nothing new. I thought of her yesterday, and will think of her tomorrow too.

*I will also think of you as well, even though you make no outward show. For what it means to lose a mom, it’s something that one day I too will know.*

*Remembering your mom will be so easy to do, she was such a special joy for me to have known each and everyday.*

*I can’t forget about the heartache that you all feel as well, but as time goes by I hope to say, the love and joy that you all feel for your mom will one day take the sadness and pain away.*

*Love You All,  
Natalie*

*Grandma Hilda will truly be missed!##imported-begin##Natalie A. Johnson##imported-end##*
