“ Although your dad's, granddad's, passing was not totally unexpected, it's still a giant tug on the heart. After over 96 years on this earth, he has passed the test that our maker has put forth. Dad has moved on to reap the rewards of his test. He is starting a new adventure in the afterlife. With all the experience acquired in his previous existence, this new adventure will surely be a better and more satisfying experience.##imported-begin##The Holiday Family##imported-end##
