“ *Del, I can't believe it has been two years since you left. There are so many days that I just want to talk to you. You know how we use to talk seven or eight hours straight. I truly miss those times and I truly miss you. You left too soon, but it comforts my heart to know that you are forever with our heavenly Father, and one day we'll talk again, until then my precious friend.##imported-begin##Christina J. “ *Hello I am from TACOM, and work with Karen Pate. My prayers are with the family, and know that God will comfort you in your time of sorrow. I am sorry that I will not be able to come to the funeral, but my thoughts are with you today, and know in my heart that your famioly member is at rest now, and happy in heaven. Always remember proverbs 3:5-6. God be with you and the entire family, and may God bless you always.##imported-begin##RUTH DENNIS##imported-end##*

“ *Del was my surrogate sister for over 30 years. It was apparent that the presence of God truly radiated through her. She always had that "Mona Lisa" smile upon her face. I will sorely miss her.*

To the Family, with every prayer, I wish you Love.
