“ *Sunset and Evening star, and one clear call for me. And may there be no mourning at the bar, when I put out to sea. But such a tide as moving seems asleep, Too full for sound and foam, When that which drew from out the boundless deep Turns again home.*

“ To Charles and the Pettway Family:

From Charles' fellow bowlers on Sunday's Best Bowling League and the members of the D'Finest Team, our prayers are with you and your entire family. It is very difficult to understand why tragedies such as the one that has affected your family occurs, but have faith in our Lord and trust that the healing factors of time and love will give you relief from the hurt and pain you experiencing now. Cry and rejoice at the same time, that Japonica is enfolded in the arms of Jesus and all her earthly battles have been won and she is now at peace. We continue to pray for your father and mother.

With sincere sympathy,

“ Hello to the Pettway family.

I am continuing in prayer for you for God's strength to help you through this difficult time. The memories I have of Japonica are fun loving, sweet, real and a person I called a friend. I had the joy of spending some time with your family when I was in high school, and I will never forget that. Japonica was also very helpful to me when I was planning my wedding. thank you God for my memories of Japonica and thank you for the Pettway family. God sees, God hears and God knows EVERYTHING. “ My prayers are with you all. I know it's hard to deal with this tragedy but remember God is a refuge in these dark moments. Try to remember the good memories to give you some comfort. Remember we all belong to God and He is just loaning us for a little while and one day if we faint not, we will meet each other again. I take comfort in that fact and I pray you will too.

I love you and I will continue to pray for Charles that he will have a full recovery.##imported-begin##valencia wells##imported-end##
