“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21:3, 4.##imported-begin##sf##imported-end##*

“ *Always stylish, the unmistakable voice, the "Tell it like it T.I.S." personality, a warm and loving embrace, her down-home cookin' skills, her couragous spirit.. These are just a few memories we will carry in our hearts. We feel so honored and blessed that we have shared in each others lives for so many years as a Sister and Aunt. Our prayer for the family is one of strength, peace, and comfort during this time. We Love You...##imported-begin##Marlyn ##imported-end##*

“ Jennie,

If I would have asked God to send me the perfect sister-in-law it would have been you. I appreciate you for you honesty and loving spirit. I know all of us will miss you dearly here on earth but in the same breath I know God has welcomed you home. Say hello to my mom for me. I know she and Momma Ruth are preparing a feast for you. You will always remain in my heart.

“ To the Kilbourne and Marshall family - May the God of all comfort give you the strength you need to endure the days ahead? Death was not what was intended for us - just to live a few years and die. Jehovah God made paradise for mankind to live forever. Because of the disobedience of our first parents "Adam & Eve", only imperfect offspring was in the loins of Adam. Rest assured, Jesus told the evildoer hanging on the torture state next to him, "you will be with me in paradise". There were many Jesus resurrected, while he was alive. That was a fore gleam of the grand resurrection that will soon take place. I pray that you will be strengthen with courage to bear the pain that now fills your heart. Throw your burden upon Jehovah, he cares for you. Draw comfort in the resurrection hope. Revelations 21:3,-5 Isaiah 26:19, Proverbs 3:5-7.##imported-begin##Liz Malone##imported-end##

“ *Sister,
Having you as a sibling has meant so much to me. The years went by so fast and the times were happy with the family. If God had let me hand pick the qualities that I wanted in a sister I could not have picked a better woman than you. Some unknown prophet stated "time will heal all wounds", the wound left by your passing is gigantic and will be hard to heal. Each of the siblings were blessed to have a mother like ours and she raised us to love one another and take care of one another. It has been a blessing and a tremendous honor to have you as my big sister. Thank you for everything. So now the end has come and you have taken your final bow. The world has been a better place with you having been on its stage. Sleep on dear sister. I love you.##imported-begin##Paula G. Kilbourne##imported-end##*

“ *My Mother A Rose*

*A rose so rare,
one of it's kind,
love and beauty a mother,
yes!
mine.
A rose without thorns,
not a petal was torn,
a perfect rose stood straight and tall,
my mother was the most precious of all.
A rose that survived the worst kind of weather and yet the most
delicate ever,
a rose with a fragrance,
there could be know other,
you see this rose is my Mother.
A rose is picked and put to dry,
the beauty is still there,
it never dies.##imported-begin##Nicole, Robin, Zina, Calvin, Kim,

“ Sista,

*It feels like months but it has only been days,
And yet that is still too long.*

*I still love you the same as if you were still here with me, laughing
during the good times and crying during the bad ones.*

*I miss being able to call you any time and spend hours talking about
everything under the sun.*

*There was nothing that I wouldn't do for you and nothing that you
wouldn't do for me.*

I always wish you were still here with me enjoying life,

*But I can understand why God would want such a beautiful angel on
his side from now until eternity.*

Just know that I love and miss you,

*And this is the tribute to you, my big sister##imported-begin##Vicky
