“ *I am so very sorry to read of your loss. When we suffer a loss we often feel helpless and alone, I know I did. What I found comforting was encouraging words from Jehovah found at Revelation 21: 3, 4. “ *May the hope of Psalms 34:18 bring the Edwards family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##*

“ It doesn't matter what age a person dies our hearts are broken and the pain seems like it will never go away. We all express our grief in many different ways. Never feel you are alone, especially when we lose someone we love so much. Isaiah 41:10-13 "I am with you" says, Jehovah. "I am your God, do not be afraid". Jesus also provides comforting words at John 5:28 & 29, Revelation 21:3-5, God promises to do away with pain, death and sorrow forever. Psalm 34:1 "Jehovah is near to those that are broken at heart; and those who are crushed in spirit he saves."###imported-begin###Mrs. Malone###imported-end##

“ Dear Edwards’s family,
Please accept this post as an expression of my sympathy over the loss of your dear loved one, Ms. Jessie Ola. I am writing you about the wonderful hope that the bible holds out for a future resurrection. The wise man Job expressed it this way at (Job 14:14)“If an able bodied man dies, can he live again... This is a hope that I have for my mother, and one that I wish for Ms. Jessie Ola. May the God of tender mercy be a source of comfort to you during your time of bereavement.##imported-begin##Jackie Brezzell##imported-end##

“ May the family find the consolation in the "Power beyond what is normal" to go from day to the next. "May be that of God's and not that out of ourselves." (2 Corinthians 4:7) You have my deepest sympathy.##imported-begin##Deborah Gipson##imported-end##
