“ *Jewel,*

I so glad your pain is no more. That from now on it "howdy, howdy and never goodbye", for you are now resting in the bosom of our Lord and Savior. My heart is hurting because I didn't do as I should have, which is too call more often. I know you knew my heart and how much I cared. So it is with great regret that I say my earthly farewell to you in this manner. I didn't know why my heart was so heavy during your transistion from this earth. Now I know. I know you are busy with Vanessa, Mother (Lena), Willie and all those who went on before you watching us as we continue to go through our trials and pains. Praise Be to GOD All yours and their are over. I loved and will always love and miss you. Until we meet.

“ *To the Childern and grand children of Jewel Benson:*

It's hard to understand why people are taken from us, but find comfort in knowing you were a special part of a well-lived life. God is always in your corner at a time like this--and so are we.
