“ *Because of your love and support. We feel encouraged and strong, The Lord will take care of My Mom for us, and He will take care of Us for My Mom! That leaves everyone taken care of. Now for those who might need a word to help you through. "Let God take care of you! "Use every strength God gives you". "To live while you are still alive". Love Always Donna And Family##imported-begin##Donna Simpson##imported-end##*

“ *Thank you all from the bottom of our heart, had my mom been here you know she would have played a part. She would have tried to comfort everyone in sight. She would have fixed the food made us rip and run to make sure everything was just right. So to God I pray, and to you we say have a blessed day, and to all a more blessed night.##imported-begin##Donna Simpson##imported-end##*

“ *Jewell is a 'precious jewell". Her children and grandchildren were just as precious to her. She loved all of them so much. She reached out to everyone including strangers. I will miss sitting at the kitchen table with her and just talking about anything. She was a precious Aunt.
WE will always love you.

“ Jewell was always the same smiling sweet person to me. She was always the same whenever I saw her. She never met a stranger and in the short time she was in Isola, she made so many friends, friends who loved and cared for her. It seems unreal that she is gone and I haven't quite grasped the fact that she is, but as I look at her picture here today, I am reminded of how much I already miss seeing her. Jewell loved her family very much and she would always talk about them and show pictures of them whenever anyone would visit. I pray for strength for her children, my uncle Charles and all those who loved her. I love you, Jewell.##imported-begin##Tracie Hampton Washington##imported-end##

“ Dearest Family:

I was very saddened to hear about your Jewell's passing. She was someone that really lived every day to the fullest.

While I know that words are only a small gesture of support, I want you to know that her spirit has touched many people's lives as it has mine.

All of you are in my thoughts and prayers. Please know that you are very loved and supported. My deepest sympathy and love to all of you.

“ I am sorry I could not make it in person, but my I thoughts are with the family. I have happy memories of Auntie Jewell whipping the station wagon full of kids around. I still can hear her screaming Angie's name...it was always so funny to be playing outside and hear her calling Angie's name a block away.##imported-begin##Caria Asharky Curtis Little##imported-end##

“ We pray you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again and may you
find comfort that the Lord is with you.##imported-begin##Mr & Mrs
