“ *My family and I are friends with and neighbors to Don. I never had the opportunity to meet Joan, but know that she must be very special to see how touched Don is by losing her. My family and I have Joan and the family in our prayers, and hope that each and every one of you feel the warmth of togetherness that such an occasion invites. My husband and I would absolutely love to meet the family during this time, since Don is very dear to us, but it will be difficult for us to make the trip at this time. Enjoy one another.##imported-begin##Michelle Groesser##imported-end##*

“ *Joan, I knew you first as a good and kind nurse as we worked together in psychiatry. It was a greater pleasure to see you as a wife, mother and neighbor. I loved watching you walk or should I say push the grand kids around when they were babies. We will miss you. Alway with deep affection & love,
