“ Grandma,

Thank you so much for being the GREAT woman that you were. The love and strength you showed to my mother and the rest of your children has directly affected me. I thank you for showing them how to be great parents, great providers and best friends. I can only hope the wisdom and determination you have shown throughout your life are qualities I will possess when I become a mother. You planted the seeds of love and togetherness within our family by creating a home filled with love and unity. Thank you for always supporting and carrying for me. You have far exceeded the title of wonderful mother. I am sure you are keeping an eye on the family and friends you have left behind. We will celebrate your life and remember the good times. Grandma, you will be deeply missed. I love you always!
