“ *Dr. Barbara:*

I just wanted to let you know that my wife, daughter and myself really do feel your pain. We know how hard it is to lose a loved one, especially your mother (the one that gave you life and nurtured you into the person that you are today). Please know that God will not put any more on you than you are able to bear and though she is gone she will live forever inside of you.

We love you and May God Richly Bless you and your entire family.
