“ *I am sending my sincere condolense to the Bray family. May your hearts have peace in knowing that Judy can rest from her labors. Death is something we never look forward to, but in time, it catches up with us all. Jehovah, the God of all comfort, will give you power beyond what is normal to be able to deal with this terrible loss. You are in my prayers. We will be able to see Judy very soon in the new world. “ My heart is broken yet a lil at ease because you were in a lot of pain, seeing you in pain made me cry a lot at night. But god heard your cries as well and took his child. I will cherish all of the good time we had together and how we use to laugh and fish and just all the good times because our bond was just so strong. your were more than just a grand mother to me you were just like my mother now both of my mothers are gone to heaven now. I will always love you grand grand and never will stop. It is just going to be really hard with you not here with me telling and teaching me how to act like a young lady

“MY CHILD”

*I'll loan you for a little time, a child of mine He said,  
For you to love the while she's here, and mourns for when she's  
dead.*

*It may be six or seven years, or sixty-two or three,  
But will you, until I call her back, take care of her for me?*

*She'll bring her joys to gladden you, but shall her stay be brief,  
You'll have her loving memories as solace for your grief.*

*Now I cannot promise that she will stay, since all from earth return,  
But there are lessons taught down there that I want My child to  
learn.*

*I've searched the whole world over in search of teachers its true,  
And from the throngs that crowd life lanes, I have selected you.*

*Now will you give her all your love and not think the labors vain,  
Nor hate me when I come to earth to take her back again?*

*I fancied that I heard them say, "Dear Lord Thy will be done"  
For all the joy My child shall bring, the risk of grief you run.*

*But you must shelter her with tenderness and love her while you  
may,  
And for all the happiness that you've known, forever grateful stay!*

*But shall the angels call on her much sooner than you've planned,  
You must brave the bitter grief that comes, and try to understand. ©*

-----  
*Servant of God, job well done,  
Rest from thy loved employ.*

*The battle is fought, the victory won;  
Enter your Master's Joy!*

*Pains of life have passed  
Labor and sorrow cease*

*Life's great warfare closed at last,  
Their soul is found in peace.*
