“ *Will always think of you and days gone by each and every day. I will know who coin the phase "I Love you" after correcting a young child. You will be in my thoughts and always in my prayers. Keep safe as you travel to the next plain and may God continue to guide you as I know he will, for we know that God's know what to do, when to do and always how. God Bless you and keep you ever in his care, Mother Christmas.###imported-begin##Karen Kennard###imported-end##*
