“ *Karen and I were friends and I will miss her dearly. She worked with me in the Ford Department at American Express. We often went on our smoke breaks together and had many talks. I want to share with you what she told me recently. I was talking to her about my going on vacation and she said that I was lucky. So I told her, please pray that my planes leave and come back safely, although if I had to die I would like it to be fast. She turned around to me and said that she also wants it to be fast when she died. I am saddened but also relieved that she didn't suffer any more and that she didn't know what hit her. Karen also doted on her Grandson Austin. I heard many a story from her about Austin. He was her pride and joy and I am happy that she got to spend precious moments with him. My prayers are with you, her family. I hope she is with Wayne and her Dad. Love, Mimi Brookes###imported-begin###Mimi Brookes###imported-end##*
