“ *Taylor:*

I worked with your mom for a many of years and we had God moving conversations about life. I always saw a smile on her face regardless to what LaNese was going through.

LaNese was always willing to do whatever it took to get the job done.

LaNese would always tackle it as if she owned the company. 110% effort at every task. Your mom will be missed but never forgotten.

The HAP family extends beyond the walls of a building, the family touches the world.

This picture of her with that bright smile is just as she was and is!

Love Always Gregory N. Johnson, Sr.

“ Hi Taylor: I worked with your mom since 2007. But as soon as I met her, she told me about you. The things she told me about you, let me know you were smart and sweet. Your mom loved and admired you. She was very proud of you.

Your memories of your mom will always be in your heart and what she taught you in this short time with Prayer and Faith in God will guide you to success in life.

God Loves You and so do we here in HAP Marketing!

“ Dear Taylor,

I worked with your mom at HAP and she was a very active member of our Employee Recognition Advisory Group, where I really got to know how terrific and giving she was.

From LaNese I learned what a big spirit and a positive attitude can do in making the world a better place to live in. She always demonstrated a "can do" response even when she had to tackle a new or difficult challenge. You are a part of her living legacy and I know that you too have been given these seeds of love and abilities from your mom. May the strength and the blessing of the Lord be with you and your extended family at this difficult time. May the loving memory of your dear mother and her guiding spirit be with you always! Taylor, you will be in my thoughts and prayers-Be strong and know that we care--because your mother would expect no less of us. Love to you, Liz Field

“ Hi Taylor

I will miss your Mom so much , she was truly a good Mother, and my friend. The thing I will miss most is hearing her say "Hey Baby" when we talked, I know she could be stubborn on the outside sometimes, but inside laid a pure heart of gold. Once you were her friend, she was your friend for life, and there was nothing within her power she wouldn't do for that person. Know that you were the pride of her life, and she never stopped telling me of her dreams for you . I know you will live up to those dreams and continue to make her proud, Love you,

“ Hi Taylor,

As I'm sure you know, your mom was a very special person. I worked with her at HAP for many years and had many conversations with her about YOU . . . she loved you dearly and was so very proud of you. I heard you make a mean pot of smothered chops!!! At least 3 times a week she would come to my desk just to share a hug and her beautiful smile saying that's all I wanted "Ma'Dear". I pray the peace of God will overtake you, find joy in the memories of your mom.

“ So we are always of good courage. We know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight. Yes, we are of good courage, and we would rather be away from the body and at home with the Lord.
