“ *Latrice was a very beautiful fun and dear friend of mine. I am sadden not knowing that she had passed away. I had been calling her in the past month to check on her but all I got was the voice mail. I left a message the second week of January 2009 but no answer. I sat at my computer this past Sunday and decided to give her another call. I decided that I would look her up on facebook and to my hearts agony I saw a page of remembering Latrice Brigdes Cannon page up...and it really hurt to see. I send my sympathy to you Mr.Cannon, her mother & all of your family. I am truly sorry for the loss of such a wonderful being. I will miss Latrice as well as the good times. I remember and still have the last text she sent to me. It was full of encouragement and that was one of the greatest things that stood out to me about her. She always was there for support. May the Lord be with her...until we meet again my friend. Your family will be in our prayers.##imported-begin##Prince Robinson##imported-end##*

“ My baby sister, so beautiful I will miss you dearly. My heart will ache but I'm grateful that God gave me a chance to know you and to have you in my life. I'm at peace knowing you are once again in the arms of our daddy. I once made a promise to you that I would be the best sister possible and through my nieces I will be just that! Love You!###imported-begin##april richy###imported-end##

“ Dear Tonya and Family,  
Please know that you are in our hearts and prayers during your time of bereavement. I know that the human mind can not always comprehend life's realities, but please take comfort in knowing that GOD knows best and that your loved one will suffer no more. Please let her children know that they've got the most special Angel that Heaven has to offer always watching over them now!

May GOD bless and keep you in the days, weeks, and months to come.

Love,
