“ My mother's only "little sister", I keep the memory of a pink & white little cotton dress she sent me and a blue and white one for my sister when we were small. I always thought she was special for taking the time to gift us, having her own children, but then she was my mother's only "little sister". Beautiful hearts love in likeness.##imported-begin##Anna Bell Miller##imported-end##

“ May the hope of Psalms 34:18 bring the Norris family much comfort during this time, God's word assures us that he sees the difficulties and hard times that we go through. He will help you and your family in this time of sorrow. We can also look forward to a time when death will be no more (Revelation 21: 3, 4). Taking in accurate knowledge of the living God Jehovah assures us better times ahead.##imported-begin##Ariel##imported-end##
