“ *There is no way to express our heart felt sympathy at this time. She watched me, my brother and little sister grow up. Mrs. Harris watched us as we "dug to China" in their backyard and never fussed at us (unless we got out of hand, she didn't take any crap) and never discouraged us from our most serious job! Why we did it.....will always be a mystery. :) Another time, Mrs. Harris let us come over and watch a late night movie in the living room with Clay and Rodney in our jammies - I cant remember if it was the "7 Faces of Dr. Lao" or one of those "Fu Manchu" movies, but she was a wonderful wonderful person. We will always remember her kindness, sincerity and most of all HER PATIENCE. We love you all and we will always be here for you.*

Most sincerely,

The Banks Family

“ To Clay, Rodney, and Dante:

Our thoughts and prayers are with you at this time. Hold on to all the wonderful memories your mother and grandmother created and shared with you. She is with God now and all is well with her.

“ Dear Family: When someone we love dies it breaks our hearts. We try to accept it as 'a part of life' as we struggle to move on without them in our lives. But death is not 'a part of life', but is, instead, the very opposite of life and not something that our loving Creator ever intended for mankind to experience (Ecclesiastes 3:11)Therefore, he has promised in his Word, the Bible, that soon such events as death will no longer haunt mankind and tear us apart from those we love. Jehovah God, the Giver of life, has promised to destroy death (Romans 6:7; Isaiah 25:8) and to restore our loved ones to us who have died by means of a resurrection (John 5;28,29). It is God's purpose that our loved ones remain with us forever! (Psalm 37:29; 133:3) May these Bible truths bring comfort, hope and reassurance to your hearts that you can see your precious loved one, Leonor, again. It is Jehovah God's desire that you do (Job 14:14, 15) and he has promised that you will (Titus 1:2) My deepest sympathy to you.###imported-begin##joyce jones###imported-end##
